WILLIAM FREEMAN

CLINTON MD, 20735 | (240)-441-5632 | WFREEM2@GMAIL.COM

Education

Towson University - Towson, MD   May 2023
  ● **Bachelor of Science in Computer Science**

Work Experience

Network Engineer Intern   June 2019 to August 2019, June
2020 to August 2020
Army Research Laboratory – Adelphi, MD

  ● Acquired and maintained knowledge of Cisco switching and routing protocols, subnetting,
    network security integration

  ● Designed and configured a Network for a university
        -Subnetted an IP address to fit four other networks
        -Created VLANs for the networks
        -Used routing protocols to route our networks so that only certain networks can talk to each
         other, while others can't
        -Implemented necessary network security measurements
        -Troubleshooted when needed
        -Crimped our own cables

Program Logistics Support   June 2016 to August 2016
Clinton HealthCare Center – Clinton, MD
  ● Performed various administrative functions, including filing paperwork, delivering mail, sorting
    mail, office cleaning and bookkeeping
  ● Helped Plan and setup two communal events
        -Assisted with both events by evaluating what food to buy with a limited budget
        -Helped decide where the event was to be held
  ● Prepared meals twice a day for breakfast and lunch service

Technical Skills

● Subnetting expertise	● VLAN aggregation
● Network security systems	● Troubleshooting
● Routing protocols	● Switching protocols
● IP address structure	● Hand assembly
