A CIO Friendly Meeting Place

The Mid-Atlantic CIO Forum provides an intimate meeting place where CIOs are comfortable to network and have in-depth candid conversations with peers.

CIOs and other senior-level executives with responsibilities for their company's information technology and systems in medium-to-large scale operations should browse our website (www.midatlanticcioforum.org).

CIOs from for-profit, not-for-profit, public and private organizations, and government agencies are encouraged to consider membership.

Our Vision

The Mid-Atlantic CIO Forum is a regional CIO Forum to foster excellence in business and information technology via exchange of best practices among peers and targeted presentations on industry issues and trends.

Our Mission

The Forum's Mission is to work in participation with members from the CIO Forum to identify issues and set an agenda of activities, including formal and informal forums, to facilitate interchange and learning among participants and to continuously evolve to meet the needs of members of the CIO Forum.

What We Offer

- ➢ **Executive seminars with access to prominent speakers.**

- ➢ **An environment for sharing information for networking with peers.**

- ➢ **A community of CIOs and professionals with common interest.**

- ➢ **Avenues to promote exchanges of ideas, best practices, and to develop partnerships with other members and academia.**

- ➢ **Conversational format**

- ➢ **Open conversations**

- ➢ **Sharing in confidence**

- ➢ **Panels and breakout sessions**

- ➢ **Questions & Answers**

Members & Meetings

The Forum has CIO, Vendor, and SNG (Security Networking Group) Memberships

- All memberships must be approved by the Board.

- CIO and Vendor Members participate in nine (9) Forums and two (2) Social events.

- SNG Members participate in two (2) Cybersecurity Forums and two (2) SNG Meetings. They may attend two (2) Social events for an additional fee.

- Membership fees are due in the First Quarter of the Forum year (July – September).

Meetings Are Held from September to May

- They are typically held on the Towson University campus.

- Selected meetings are held at Member and other special locations as approved by the Board.

- Meetings are by invitations only. Registration is Required.

- Vendor Members are to restrict marketing and stay focused to CIO issues.

- Open conversations and networking are encouraged at all meetings and events.

How We Operate

➢ **The Mid-Atlantic CIO Forum is a nonprofit supported by membership fees.**

➢ **Directed by a Board of Directors elected annually from our CIO Members and with a Towson University Representative and an SNG appointed member.**

➢ **Administered by the Forum President reporting to the Board.**

➢ **An Annual Program of meetings and events is developed and published before the next Forum Year starting in July.**

➢ **Speakers are from our membership and selected based on their level of expertise. Gartner and nationally prominent speakers are invited as needed.**

➢ **Networking is promoted at meetings, events, through the website, and by other means of collaboration.**
